

# 100m White Speaker Cable

2x79 copper-clad steel strands

Part Number:  
**19807C**

The SLx White Speaker Cable is a testament to acoustic excellence, offering a rich and detailed soundstage for audiophiles and enthusiasts alike. This substantial 100m cable with 2x79 copper-clad steel (CCS) strands is designed for high fidelity and long-lasting use.

## Features & Benefits

- High-count 2x79 strand configuration for superior audio clarity.
- Lengthy 100m roll for extensive coverage and installation flexibility.
- Copper-clad steel ensures strength and durability for long-term use.
- White insulation blends seamlessly with decor for a tidy, professional finish.
- Perfect for home theatres, audio setups, and commercial sound systems.
- Delivers a detailed, dynamic audio performance with minimal signal loss.
