Eaton SDR-RINT

Catalog Number: SDR-RINT

Eaton internal intruder alarm sounder, Radio Internal Sounder white

General specifications

Product Name	**Catalog Number**
Eaton internal intruder alarm sounder	SDR-RINT
EAN	**Product Length/Depth**
5060096853916	50 mm
Product Height	**Product Width**
127 mm	127 mm
Product Weight	**Compliances**
0.27 kg	CE marking

FAT•N
Powering Business Worldwide

Product specifications

Operating humidity - max

95 %

Degree of protection (NEMA)

Other

Compliance

Independently certified to EN50131 & INCERT

Operating temperature - min

-10 °C

Remote self test function

No

Supply

6 V

Mounting Method (ETIM)

Surface mount

Current normal

0.03 mA

Enclosure/lens color

White

Low-volume mode

Yes

Built-in transformer

No

Typical battery life

12 monthly

Radio frequency

868.6625MHz

Operating temperature - max

55 °C

Replacement battery code

4 x AA Alkaline

Degree of protection (IP)

Other

EN 50131 Security Grade

2

Type Of Tone
