

Eaton SDR-WEXT-G2-BL-NC

Catalog Number: SDR-WEXT-G2-BL-NC

Eaton external burglar alarm siren, Sounder external wired G2 blue lens no cover

General specifications

Product Name	Catalog Number
Eaton external burglar alarm siren	SDR-WEXT-G2-BL-NC
EAN	Product Length/Depth
5060096853985	80 mm
Product Height	Product Width
300 mm	280 mm
Product Weight	Certifications
0.93 kg	CE marking

Product specifications

Operating humidity - max

95 %

Degree of protection (NEMA)

Other

Compliance

Independently certified to EN50131 & INCERT

Operating temperature - min

-25 °C

Remote self test function

No

Supply

13.7 V

Mounting Method (ETIM)

Surface mount

Current normal

0.035 mA

Enclosure/lens color

Blue

Low-volume mode

Yes

Built-in transformer

Yes

Typical battery life

60 monthly

Radio frequency

Not applicable

Operating temperature - max

60 °C

Replacement battery code

SDR-W-BAT2

Degree of protection (IP)

IP65

EN 50131 Security Grade

2
